wide and I couldn't see that clearly, but there was only one way to find out!

I ran downstairs and got my binoculars from the cupboard before returning to the bedroom and switching off the light. Resting my elbows on the windowsill, I focused the binoculars on the neighbour's window and got the shock of my life. She had definitely been unbuttoning her blouse, as she was now standing there in just a black lacy bra. She was about 25 years old and gorgeous, with long black hair that cascaded over her naked shoulders.

She seemed to be looking directly at me but surely couldn't see me in my darkened room. My heart beat faster as I stared at her big breasts, beautifully wrapped in her fancy lingerie, and tried to see what she had on below her waist.

Unfortunately, she was standing too close to the windowsill but I could clearly see the bed behind

object of my lust across the street, I saw she had now raised one stilettoed foot onto the bed and was rubbing her pussy hard while squeezing the nipple of one large breast between her finger and thumb. She was still smiling in my direction and my cock was throbbing as I indulged in my guilty pleasure. Still fingering her hole, she clambered onto the bed, her arse thrust deliciously in the air, those lovely tits now swaying beneath her as she jerked herself off.

I was just about to come when she suddenly pulled her finger from her slit and fell back onto the bed, spreading her long shapely, stocking clad legs as she did so. I paused, dick in hand, as she reached into a drawer beside her bed and pulled out a flesh coloured dildo.

A quick look at her pretty face showed her licking and sucking the cunt juice off her fingers, her eyes tightly shut in ecstasy as she manoeuvred the sex toy towards the entrance of her pussy. Leaning back, she lifted her legs high in the air and pushed the fake cock

Dear The Lounge,

I've never really considered myself a voyeur before now, apart from watching the occasional porn film, but since the new people moved into the house over the road, your readers might just disagree! I live on a street of smart detached houses in town and folk round here tend to keep themselves to themselves. I'd noticed the removal van earlier in the week but had thought no more about my new neighbours until a few nights later when I was going to bed. The street is tree-lined, which adds to the privacy, but you can obviously see in the windows of the buildings opposite when they turn the lights on at night.

Usually, folk round here are pretty quick to close the curtains, but my eyes were drawn to the large bedroom window upstairs. Standing in the brightly lit room, in full view, was a woman with long dark hair, and she appeared to be slowly unbuttoning her top. Maybe I was mistaken as the street is quite

her and hoped she would move away from the window.

Raising my view back to her tits, my cock throbbed to attention as I watched her push the material clear and cup them in her hands. I checked her face again and she was definitely staring in my direction and was even smiling.

Realising this display was for my benefit, I undid my trousers and took out my rigid prick as I peered at her mauling her knockers. She slowly moved backwards and I could see the top of her garter belt, then her suspenders and then her shaven pussy and the top of her black stockings. I began to wank as she slid one hand lazily down her body and in between her legs. She spread the lips of her twat slightly with two fingers and inserted another slowly into her pink glistening cunt. I had to stop and frantically wipe the binoculars at this point as I'd steamed up the lenses with my panting. Focusing again on the

inside her twat. Fuck, she must have got about seven inches up her before she slowly pulled it out again. My binoculars were so good I could actually see the sticky cunt come glistening on the shaft and, as she began to pump the thing in and out of her hole, I shot my load all over my hand and the carpet.

After a few moments, I once again peered over towards her house but the curtains were now drawn and the entertainment was over.

Luckily for me, my new neighbour's slutty performance was not an isolated display and I have spent a good few evenings watching her act the tart for myself, and probably others. She has even fucked her boyfriend or husband with the curtains open and the light on since that first show, and I can't wait until it gets dark to see if I'm in for another voyeuristic treat. I think it's time to splash out on stronger binoculars, in more ways than one!

Jake, Haversham

Dear The Lounge,

Other blokes play football every weekend, but for the last few years I've been more into martial arts, and Judo in particular. During my training session last weekend, I'd been fighting a few others in the dojo, but the one that had really got me interested was Samantha, a tall stunning looking babe who, even with her long hair tied back and no make-up, made me feel horny. It was a pleasure tussling on the mat with her, and when she got me in a hold and started wrapping those long firm thighs around me, my dick swelled as I imagined doing this naked and in a large bed.

Anyway, after our time was up, we got talking and it turned out she was at a loose end that evening, so we went to the pub for a drink. We got on like a house on fire and, after a few beers, I couldn't help telling her how turned on I got when we were fighting. Luckily, Sam took this as a compliment and invited me back to her flat for a coffee, although I hoped I'd be getting a lot more!

After more drinks, Sam said she wanted to run through a hold the trainer

had shown us earlier that evening and, knowing that I'd have to get to grips with that lovely body again, I readily agreed.

Sam moved the sofa out of the way and grabbed me around the waist and the shoulder. She was pretty strong but I attempted to defend myself and assumed the position. Seconds later, I was flat on my back with Sam on top of me and her legs wrapped around my waist. I couldn't move as she had my arms entwined with her own. Our faces were inches apart and seeing her lips part slightly as she panted from the exertion was too much for me – I kissed her.

She snogged me back forcefully and gripped me tighter between her thighs, my stiffening dick bulging against her crotch as her tongue pushed deeper into my mouth.

Moments later, Sam was back on her feet, leaving me in a crumpled mess on the floor. She pulled off her jeans and T-shirt, exposing a lovely pair of small pert tits and a naked, hairless fanny. I just lay there stunned as Sam grabbed my wrists and sat down hard on the growing bulge in my trousers.

She kissed me again and then lifted my head, pushing it towards her tits. I managed to get one nipple in my mouth and teased the tip with my tongue before biting it gently. Sam jerked her body away and tore at my trouser belt, roughly yanking down my jeans and reaching into my pants for my cock. This girl certainly didn't mess about, and as soon as my dick came into view she plunged her mouth over my knob and began frantically sucking down the shaft until it hit the back of her throat.

After a couple of minutes of her giving me head, I decided it was time to show her I had a few moves of my own and, gripping her shoulders, flipped her over onto her back, straddling her thighs as she hit the floor. She growled at me in pretend anger but grasped my prick in both hands and pushed

it between her slightly parted thighs. I grasped her ankles and lifted them either side of my head as she stuffed my meat straight into her already wet cunt. I thrust it up her and pinched both her nipples between my fingers and thumbs as she writhed beneath my pumping shaft, moaning and groaning and swishing her head from side to side as she lost herself in our wild fucking.

I grabbed her arse and stuffed her faster and deeper while she slipped her hand down between us and started to frig her clit. This was the trigger for a climax that had her thrashing around on the floor. It was like riding a bucking bronco as she arched her back and ground her cunt against my pistoning dick, even beating my chest as she squealed with pleasure.

I gripped her buttocks harder and squirted her full of my cream, jets of my seed firing deep up her love tunnel as her fanny muscles squeezed every drop from my throbbing cock.

I collapsed exhausted on the floor but Sam continued to rub her clit and even poked a couple of fingers into her spunk oozing hole until she succumbed to another orgasm while I watched.

We fucked most of the night and I was absolutely knackered the next day but it was the wildest sex of my life and now I can't wait until Judo night, as I know our fighting will lead to another sort of grappling for the rest of the night!

Tim, Beds

Dear The Lounge,

I've been renting my studio flat for about 8 months and never really got on with the landlord as he's a right grumpy little twat who rips off his tenants and won't repair any of the stuff that breaks.

They call her 'Bad Bentley' for a reason, but they really should change it to 'Filth-Bag Bentley' because, well, we don't need to state the obvious do we? "I wasn't always like this," Sam explained. "I used to be very normal, having bog standard sex. That was until I met a guy on a night out and had my first experience with anal sex. It blew my mind, and I haven't looked back since, my new moto when it comes to sex is that I'll always give something a try once before passing judgement. I've not tried something to date that I haven't loved!" Sam was telling us all this whilst alternating between a vibrator and a couple of fingers in her lubed-up bum hole!

BORED, AT HOME FOR THE SUMMER WITH NOTHING TO DO BUT BUM AROUND ALL DAY? WE'VE ALL BEEN THERE, BUT NOT WITH LACEY...

It was the summer of 2022, I was at home for the whole of the college break, 19-years-old and accustomed to the life of a student, which meant that the slow, relatively quiet life of the small country village that I came from was boring me stupid, and I had only been home a week.

I was slowly going stir crazy, spending my days with only my mother, when thankfully the gardener showed up! When I'd left for college, the gardener was a short, balding man of about 60 years, Ron. He'd worked for my parents since I was a little girl, but the man I saw in my back garden that day didn't have the body of a 60-year-old. Over breakfast my mother told me his name was Jason, Ron's nephew, who had taken over from him late last year. Jason was like

a giant geometrical puzzle made of flesh, his muscles interlocking tightly. All of a sudden, my boring spring break at home didn't look so boring any more! That first day he was working, stripped to the waist, forking over flower beds, my mother was off with the girls at yet another coffee morning while I stayed home, sunning myself on the porch in my nice, new bikini. I lay there in the sun, my face hidden beneath wide brimmed summer hat and sunglasses, for an hour and Jason

“The first I knew of his orgasm was when the first load of hot come splashed onto my back, the rest coating my cunt.”

had barely looked my way more than twice. Action needed to be taken.

Strolling down the lawn behind him, a glass of lemonade in my hand, I watched as the muscles of his back flexed with each turn of the fork and felt a tingling between my legs. “That looks like back breaking work,” I said to Jason’s back. “I made you a little drink to help you cool off.”

“Thank you,” he said, turning round to look me in the face. There was one glass of lemonade and two straws, and I was drinking from one of them.

“You don’t mind sharing, do you...?” I said, offering Jason the other straw.

“Not at all,” he smiled, bending to suck on the straw, his face inches from mine, and we stared into each other’s eyes.

“Oh my,” I said, stroking his arm. “You’re simply soaked with sweat! You should come in the house and... cool off.”

“Oh, I don’t think your mother would like that very much...” Jason replied, getting what I meant straight away.

“But my mother is out all morning... and most of the afternoon,” and I sucked on the straw, fingering it suggestively.

“Well why didn’t you say so?” Jason smirked. Excellent. He took me by the arm and together we walked back up to the lawn to the house. As soon as we reached the house, I pulled Jason to me and we kissed, his tongue snaking around my mouth. His cock grew hard and pressed urgently into my stomach as we stumbled across the room and fell into a couch.

Jason slipped my bikini straps from my shoulders and cupped both my breasts in his large hands, bending to lick and suck on my nipples, which grew stiff between his teeth. I ran my hands over his chest and he slipped further down until he was face to face with my pussy, with only my bikini and his lips between it and his tongue.

He pushed his nose into my crotch, breathing deeply and groaning – later he would confess a love of panty sniffing, which I thought was cute when I knew it was my panties he was sniffing and masturbating over.

He lifted my bum up easily and slipped off my bikini bottoms like they were made of paper, drawing my pussy up into his face and

licking me with the whole of his tongue from my hole to my hood, spreading my labia wide open and curling the tip of his tongue into my tunnel.

I had never been to bed with a man who so eagerly ate pussy, previously they had all been tentative with my cunt, a lick here, a flick there, and I liked that but this was

“ Jason’s rough tongue-loving found its way deep inside my cunt, slaverling its way up my arse and burying its way right in.”

something else.

Jason’s rough, hungry desire for eating me out was teasing my juices out at an incredible pace; I was soaking in pussy juice! Being held up like that was becoming uncomfortable. So being the country girl that I am, I turned over and gave Jason the chance to get accustomed with all of me. Right on cue, Jason’s rough tongue-loving found its way deep inside my cunt, slaverling its way up to my arse and burying its way right in. He had me so hot I just couldn’t

control my mouth.

"Yeah, fucking lick my arsehole!" I cried out. "Stick your tongue right up me!"

Jason fucked my hole and my pussy with his tongue for what seemed like an eternity, spanking me for extra effect. But when he finally introduced his fingers – Oh. My. God. First he spanked me roughly, cupping my cheek firmly, then he put three fingers in my gaping pussy and lifted me from my knees. He pulled his fingers out and I craved more. Down came his hand, slapping my butt, and in went his fingers. His thumb slipped round my cheek and dipped into my bum hole and with his other hand he stroked my cheek. With his fingers and thumb still inside me, he climbed off the couch and stood beside my head. He had undone his trousers without me seeing and this thick, hard, twitching cock was right next to my face – what could a girl do but open her mouth for more filling? "This is air tight. You ever been air tight before?" he said, running his hand through my hair. I tried to shake my head, which wasn't easy with six inches of dick inside your mouth.

"Nn, mm," I tried to say. I took his dick out of my mouth and opened it wide enough to get his balls inside, resting them on my tongue. Jason groaned and looked skyward.

"You like that?"

I asked, taking his sack out of my mouth.

"Come on and fuck me with this big dick of yours and I'll let you come all over me with these balls of yours nesting right here in this little mouth..." That was all the prompting he needed. He knelt behind me and slapped my bottom and pussy with his prick before plunging himself balls deep in my cunt. Holding me by my hips, Jason literally fucked me off the couch – with my forearms resting on the arm, Jason held me up off the cushions and pounded his fat cock into me, guiding me bodily onto and off of his shaft by hand. Such hot fucking always hits my spot and after a week of being home with nothing other than my own fingers to pleasure myself, Jason's dick had done it for me. It was a good job there was nobody home because my cries would have had the whole house rushing to my side!

Once I'd come, Jason slid me off his pole and began to wank hard, grunting behind me as I rested before him, trying to get my breath back. The first I knew of his orgasm was when the first load of hot come splashed onto my back, the rest coating my cunt copiously. Needless to say, I was in tears when I had to go back to college, if only my parents knew who I was really going to miss!

Christi or Christiana, if we're going to be formal here is a more than welcome to grace the pages of Club International any day of the week, after all she's been in Playboy and a few other magazines not worth mentioning. But you know she's got what it takes when the head man in the office wakes from his post lunch slumber and, on espying her pictures on the pile next to his desk, decides there and then that she deserves to go in the magazine this month. In fact, he was quite buzzing about the whole thing for a while, until he wore himself out and had to have another nap with his office door locked and closed!

If Well, we guess there's a pretty obvious reason why she's known as 'Blondie', but is there any more to it than that, we wonder... "Yes, when I was little I saw a clip of Debbie Harry on the TV and I became sort of obsessed with her. My hair's not really all that blonde, but as soon as I saw her singing, I thought she was the coolest person on the planet. In fact, I still do, really! So as soon as I was old enough, I did my hair and I've gone by the name of Blondie ever since then!" Well, it definitely suits you, but so does wearing as very little clothing as possible and especially when you're wearing none at all!

Fancy a big-boobed, bushey-pubed British babe? Yes, we thought you might, so allow us to introduce Carly Rae, who loves sharing her charms with our Club readers! So Carly, it's great to have you on board but what got you interested in modelling in the first place? "I've always been into fashion and clothing, and so I've spent plenty of time taking pictures and wondering about what to wear, and as I got older I started getting a bit more into the sexier side of things as well. I'm very comfortable in front of a camera, as you can probably tell!" Yep, we had got that impression, please continue as you were!

What's better than a hot large-breasted bird in sexy lingerie, stockings and suspenders? Obviously it's having Lexi Lowe wearing all of the above! It's a stupid question really, isn't it! "I make such an effort when it comes to dressing up and trying to turn guys on, but all they really want is for me to strip off and get down to my bare skin before I give them the fuck of their lives. But every once in a while I'll stumble across a man who appreciates the finer things like stockings and high heels. They always get a night that they'll never forget, and then I'll blow their mind in the morning!"

His missus on the other hand, is well fit for an older bird!

Anyway, last Friday she turned up at my door after I'd rung them about the faulty boiler for the umpteenth time.

As usual her skirt was a bit too short, her heels were too high and her make-up was a bit too tarty, but as I'd jerked off thinking about her only the night before, my dick stiffened as she tottered through the door. Karen had always flirted with me and as we sat on the settee she kept touching my arm as she apologised for her husband's lack of action concerning the boiler and the scent of her cheap perfume was making my mind turn to thoughts of fucking her.

After a while, Karen began grumbling about her bloke on a more personal level. She started telling me intimate stuff about how he didn't satisfy her in bed and never gave her oral sex even though he expected it off her. I stared at her big tits bulging through her tight sweater and the hem of her skirt riding up her nylon covered thighs as she crossed and uncrossed her legs next to me. I could feel my dick swelling and knew I had to make a move. I put my arm around her shoulders and pulled her towards me. She raised her face upwards and pressed her bright red lips against mine, snaking her warm wet tongue into my mouth as we kissed passionately. Immediately, Karen's hand was on my cock, squeezing the swelling shaft through my jeans as we snogged, her fingers then deftly flicking open the buttons on my fly and groping inside for my prick. I slid a hand up her jumper and grabbed a naked breast.

She'd obviously had a job done on them because they were far too firm and perky for a woman around forty, but I certainly didn't care as they felt fucking sexy, and when I dragged up her sweater they looked fucking sexy too. As Karen dragged my, by now, rigid dick clear of my pants, I sucked one massive hard nipple into my mouth while cupping her udders together, then moved to the next. Her fat tits were so big I could actually slurp on both teats at the same time, which seemed to trigger something wild in my landlord's wife as she gripped my meat hard and began jerking the foreskin back and forth.

Eager to show her what she was missing when it came to oral sex, I pulled away from her tits and licked my tongue down her bare stomach.

She had to let go of my cock but when I rolled up her skirt and plunged my head between her thighs she didn't seem to mind. I had already worked out she was wearing stockings as I'd felt the suspenders through her skirt and I didn't give a fuck that her muff was still covered by a taut pair of satin panties as I ground my tongue against the damp material, searching out the groove of her slit with practised ease.

Karen groaned loudly and gaped her legs wide so that the lips of her pussy parted for me and I was able to actually push the gusset

of her knickers into the fleshy tunnel before me.

Yanking the now sodden material to one side, I sucked the stretchy cunt lips into my mouth while tickling her clit with my finger. Karen began panting with pleasure, gripping my head and pushing it hard against her crotch as I sucked her off.

Suddenly, she yelled like a banshee and thrust her cunt against my mouth.

A squirt of thick fluid sprayed into my mouth, quickly followed by another.

Fuck, no girl I'd ever known had come like this and I greedily swallowed down her offering as more and more splashed down my throat.

By now my dick was throbbing excitedly, desperate for attention, and luckily Karen was eager to help. She got me to stand and thrust the bulbous end of my twitching prick straight into her mouth. Her lipstick smeared down my shaft as she sunk its length towards her throat. Still sitting on the settee before me, she cupped those awesome boobs around my balls and the base of my meat, using her cleavage as a surrogate twat as she slid me up and down.

In between mouthfuls she explained that she wouldn't let me fuck her, but that I could come in her mouth, which was just fine with me. I leaned down and gripped her tits, mauling them obscenely around my dick as I banged her dirty mouth.

As she fondled my arse cheeks, I felt the sap rise in my balls and pulled my prick clear of her lips. Karen obligingly kept her mouth open and tickled the tip of my dick with her tongue as the first shot of thick white spunk fired all over her cheek. The second splattered against the back of her throat and the third, I purposely aimed at her lovely big jugs, watching the goo splatter over both mounds before trickling towards one, still erect, nipple.

We cleaned ourselves up; Karen straightened her clothes and went to the bathroom to reapply her makeup.

Before she left she suggested that if I were willing to suck her cunt on a regular basis, she would let me at those fabulous tits, as well as make sure her lousy hubby fixed the boiler. Seemed like a fair swap to me!

Lucy Zara loves playing with her extensive collection of vibrators, dildos and butt toys, but in her eyes nothing beats the feeling of flesh deep inside her. "As you say so politely, I do like my toys, but is there any better feeling for a woman than the sensation of a hard pulsating cock inside her, pumping spunk deep in either hole? That's what I think about all day, and luckily for my husband I take out my naughty thoughts on him the moment I walk through the front door!" And where exactly do you live Zara?

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

My kinky wife likes our sex with a twist, so now and again we roleplay with either another couple or even take part in a threesome. We've been married four years and rather than getting tired of sex, our love life has gone from strength to strength.

Celia was a born slut, brunette and petite with an almost insatiable sexual appetite.

I love to fuck her as often as physically possible, but, as everyone knows there are only so many times a bloke can shoot his wad, we came up with the idea of adding another bloke into the mix.

At first this was very exciting, as I'm a bit of a voyeur and enjoy seeing my Celia getting a proper shafting, either before or after I've had my turn with her. These days we have some regular visitors who we have become comfortable with, but now and then we find someone new who will add a tad more excitement.

We sometimes even surprise one another, like the time a few weeks ago when I got a text from Celia to come home immediately, and to be careful to sneak in quietly and go upstairs. We never cheat on one another, but sometimes if we get the opportunity to fuck with someone especially hot, we text with the details and an invite to watch or join in.

This was an obvious invite to watch, and I turned my van around and headed home eagerly to see what was going on. It took me almost half an hour to get home through the traffic and I quickly parked a little way down the road and hurried to the house, afraid that I had missed out on the action.

I went round the side of the house and in by the back door, creeping upstairs, careful not to make noise as this was obviously someone who just wanted to fuck Celia without an audience or her hubby joining in. I was halfway up the staircase when I heard Celia groaning in ecstasy, and I finished climbing the rest of the steps in a hurry, eager to see what this bloke was doing to her.

Celia had only been with men before, to my knowledge, so I was totally unprepared for what I saw when I reached the part-open bedroom doorway.

It was a fucking dream come true! My wife was in bed with the most beautiful woman I have ever seen. She was blonde and pale-skinned with huge knockers and the most amazing curvy arse imaginable.

Both were naked and locked in a sensual

embrace, and I almost shot my load just watching the two women French-kissing as their tits squashed together.

I whipped out my hard cock, keeping out of sight, and began stroking, as the blonde pushed Celia back and began licking her slowly from top to toe.

"Oh, fuck, Sonia," Celia moaned. "For fuck's sake, suck my nipples." Sonia's large boobs wobbled as she changed position, took one of Celia's teats between her lips and gently teased it into her mouth. Celia's body began to writhe, her legs parted and splayed wide, her hips bucking as her lesbian lover sucked at her tender nips.

From my position just outside the door I had a terrific view of Celia's freshly shaven fanny. With all her pussy-hair gone and her legs

"I grabbed his meat with both hands and wriggled my arse along the seat until I had his knob stretching me open wide."

akimbo, I could see her cunt juices oozing. Sonia moved downwards and started lapping at my wife's wet pussy lips, spreading them with her fingers before darting her tongue into Celia's juiced-up slit.

Celia's hips were bucking harder and higher as she begged her girly lover to eat her "harder". Sonia obliged, her head bobbing as she tongue-fucked my insatiable wife. Her long red fingernails pinned Celia's fanny-lips apart as her long tongue flicked and licked her to climax.

Celia gasped, then arched her back and

thumped her heels against the bed, squealing as her pussy squirted her juices over her new lover's face. Sonia raised her head, licking her glossy red lips seductively, and from where I stood I could see her chin was covered with Celia's glistening juices.

Then Celia grabbed her, locking her legs around Sonia's back and digging her nails into her shoulders.

"Now fuck me, Sonia," she said excitedly.

"Fuck me, I need you to! Screw me deep and hard!" It was then that I noticed the large black strap-on that Sonia was wearing, and my balls tightened as I realised that Sonia was going to fuck Celia like a bloke!

Celia reached for Sonia's groin, gripping the rubber shaft and pulling it towards her cunt. It was huge! She had both fists round the massive dildo, which was protruding from Sonia's neatly-trimmed, glistening mound.

I moved my cock faster in my fist as Celia spat on the massive rubber cock poised at the entrance to her slit, rubbing her saliva around it to lubricate it, at the same caressing one of Sonia's creamy-white boobs with the other. I was rooted to the

From where I stood I could see Sonia's bum cheeks tighten as her pussy contracted and Celia licked and tweaked her nips. Then Celia changed tack and started sliding the large phallus deep into her mouth. I watched enthralled as she sucked greedily on her lesbian partner's rubber prick, her head and shoulders moving rhythmically.

Sonia closed her eyes, her breasts heaving as she allowed Celia to lubricate the large dildo. Then, withdrawing it from Celia's mouth, she positioned my wife flat on her back. Spreading Celia's legs, Sonia pushed the head of her weapon against Celia's cunt-lips and nudged her way inside.

Celia's hole was soaking and Sonia's strap on slid in easily. In one swift movement Sonia penetrated my wife's needy pussy, burying the rubber strap-on deep inside her.

spot, and hornier than I'd ever been before in my life.

Celia cupped both Sonia's jugs in her hands, lifting each heavy melon to her mouth, taking each large nipple between her lips and sucking it hard.

Then she started humping Celia hard and fast, occasionally pausing to flick her long blonde hair back from her face as their mounds ground against one another and their tits bounced. Celia came first, kicking her legs and groaning, and Sonia slowed her pace: her lovely face a picture of concentration as my wife's pussy constricted around her dildo as though trying to milk it.

I wanked furiously, tugging my shaft in time to Sonia's continued thrusts.

Then suddenly Sonia's back stiffened as she rammed the strap-on inside Celia for what proved to be the last time. Her body jerked and she moaned so loudly that I worried maybe people in the street outside might hear her. It was too much and I splashed my load, my gaze riveted on Sonia's fully-rounded, sexy arse-cheeks as she made my wife come again and again until I knew that Sonia was finally fucked out, because she rolled over and tried to light a cigarette but was almost too exhausted to puff it.

Sonia gave a little shriek when she saw me, stood gawping with my semi-erect cock in hand. But she soon saw the funny side, and soon I was fully erect again and enjoying the best threesome of my life. However, I was so fucked out afterwards that I can hardly remember any of it to tell the tale!

To be honest, I'd much rather Barrie, my boyfriend, sold his motorbike and bought a nice car, as it's hard for a girl who likes dressing up trying to look alluring in a bunch of waterproofs and a crash helmet, but he loves the thing and I must admit I do get a thrill roaring around on the back when the weather is good.

The other evening we'd had a row about the damned motorcycle again, and he'd gone off in a huff to tinker with it in the garage. I was feeling guilty as in every other sense we get on great. Barrie has a lovely big cock and knows how to please my body. He is also the best guy I've ever met at sucking pussy, and is up for spending ages licking my clit until I'm cumming like an express train!

I decided to say sorry in a way that I knew would make both of us happy. I put on a pair of black stay-up stockings, my highest stilettos, and nothing else apart from my shapeless thigh-length waterproof bike jacket.

Tottering seductively into the garage, I could see Barrie sprawled on the floor beside the bike with a spanner in his hand and casually walked over and stood above him.

"Can I help?" I said in my sexiest voice. Barrie turned and looked up at me, copping an eyeful of my naked pussy and arse directly above his face. I shifted position, opening my thighs for him so he could enjoy the slutty view of what I had on offer.

Barrie slid his hand slowly up one stockinged leg to the top and fondled my bare thigh before running a finger down the hairless entrance to my fanny, sending a tingle of excitement through my whole body. I squatted slightly above him as I knew the lips of my pussy would part, allowing him easier access to my slit. I felt his finger push inside the folds of my twat and then another, squirming around in my moistening love

tunnel.

I couldn't see what he was doing as my jacket was in the way and it felt kinda dirty being fingered in the near empty concrete garage. I leant across the bike and shuddered as Barrie's tongue replaced one of his fingers, licking the juice and gently nibbling the puffy lips that he loved so much. He gripped my arse cheeks in his hands and pressed his mouth against my pussy, slurping harder on my mound as if hungry for its contents. My thighs were shaking as Barrie ate me out, but I needed that cock of his and I needed it right now!

I manoeuvred my denim-clad boyfriend onto the bike and unzipped his jeans.

His prick was already rock solid and I slipped off my waterproofs, lowered my head, and took his delicious meat into my mouth. His hands moved to my tits and he cupped them around his dick and balls as I ran my lips up and down his shaft, tickling the tip of his knob on each stroke. The smell of the leather seat mingled with the musky scent of his cock, and I fantasised I was some filthy motorcycle slut giving the gang leader a blow-job, which made my cunt incredibly wet. Barrie played along and roughly stuck a finger in the crack of my arse, groping for my bum hole. As he pushed the tip inside my tight back passage I came, sucking his dick as deep down my throat as I could, revelling in my own tarty display.

Barrie held my head hard onto his shaft as

I climaxed, treating me like the whore I was pretending to be as I gasped and panted for breath with my mouth stuffed with prick.

I jerked my head off his rigid member and stared at the lovely spittle-coated muscle just aching for a twat to bang.

It was time to oblige and I straddled the machine in front of his throbbing cock.

Spreading my pussy lips wide apart with my fingers and lifting my stockinged legs around Barrie's waist, I roughly snogged him, arching my back and thrusting my tits in front of him like some motorcycle groupie desperate for dick.

I grabbed his meat with both hands and wriggled my arse along the seat until I had his knob stretching me open. Barrie clasped my buttocks and dragged me onto his shaft, sinking his entire length up my cunt. I lay back on the cold metal of the fuel tank as Barrie started to thrust his prick inside me, standing up on the footrests so he could fuck me better.

It felt fantastic being screwed in that position, draped over his motorcycle, and I groped my boobs for him as he grunted his appreciation.

I knew I could get in another climax for myself before he shot his bolt, so I worked on my clit with a finger as he hammered in and out of my slippery fanny.

As I came for a second time, my clenching pussy muscles must have sent him over the edge, as he pulled his meat from my dripping twat and fired a huge arc of thick white spunk over my tits. Barrie wanked himself as the sperm sprayed all over me, covering me in the sticky mess and forming trickles of semen that ran into the crevice of my pussy.

Clambering off the bike, Barrie chucked an oil-stained rag onto my naked prostrate body and I obediently wiped up his cum while fingering my gaping wet fanny as a finale to my smutty performance.

I never thought of the bike as a sex aid before, and it's certainly not as cosy as fucking in the backseat of a car, but like Barrie, I do enjoy feeling something big and throbbing between my legs!

“She had both fists round the massive dildo, which was protruding from Sonia's neatly trimmed glistening mound.”

To be fair, Cally's only experience of being on a building site was when her dad tried to put an extension on her little house in Wrexham, North Wales. But we thought it would be nice to see what workers would look like if men were allowed to stay at home with our feet up and our pants down. "I thought it was cool handling all those power tools," says the 24-year-old, who originally comes from Liverpool. "I felt like I could really do some damage! But not as much damage as men would do if they really did stay at home all day. Nothing would ever get done! I've had boyfriends who've been off work with a cold for a week who've done nothing but wank. And don't tell me you don't know what I'm on about. The minute your girlfriend leaves the house it's on with the porn movies, out with the mags and down with your pants. Sometimes I'd come home to my boyfriend and he'd be surrounded by tissues looking more knackered than he had when he really did have a cold. "Still, if it's my pussy you're wanking over this time, I don't mind!" Well, you heard the lady. Get to work!

PHOTOS: TAMMY

SOPHIA

Scottish stunner Sophia's been absent from the pages of Club for far too long, so now seems like the perfect time to welcome her back into the fold! Fans will doubtless have seen her in a few movies since then, but only shooting with other girls so is she really that way inclined? "Oh, I swing both ways don't you worry about that! It's just that I prefer shooting with girls on film probably because I don't get enough pussy in my private life!"

These movie makers show us we're all human after all...

DOWN THE WIRE

JURASSIC PARK (1993)

We all know the movie revolves around dinosaurs and the scientists in the film were billed as being skilled geneticists. Despite having a professional background they misspelled Stegosaurus and Tyrannosaurus on the cryogenic storage containers!

THE GOONIES (1985)

When the Goonies are in the basement of the restaurant and arguing, Mikey played by Sean Astin makes a huge error. He calls Josh Brolin by his actual name instead of his character name, which is Brand or Brandon.

GLADIATOR (2000)

In Gladiator, we see that the ancient Romans apparently had gas canisters in their chariots. Also, we are quite sure that there were no planes in those times. How can you make a mistake like that and not realize before the movie ends up in the cinema?

DALLAS BUYERS CLUB (2013)

This film is set in 1985, but in one scene we see a poster of a Lamborghini Aventador on a wall. This car was only released in 2011.

OPPENHEIMER (2023)

Christopher Nolan's soul-shaking J. Robert Oppenheimer biopic is undoubtedly inspired and an overall triumph for the filmmaker and star

Cillian Murphy. But it is a historical epic and, for that reason, we're going to nitpick on anachronisms. Although the '40s-set film includes American flags with 50 stars, neither Alaska nor Hawaii would join the United States until 1959.

GAME OF THRONES (2011-2019)

The internet basically exploded over the Starbucks cup spotted during the last season of Game of Thrones. But the showrunners are now able to joke about it: "At first I couldn't believe it, and then it was an embarrassment because, 'How did we not see this coffee cup in the middle of the shot?'" creator David Benioff

ONCE UPON A TIME IN HOLLYWOOD (2019)

Several fans have noticed that there are quite a few things in Quentin Tarantino's latest film that weren't around in 1969, which is when the events in the movie take place. In various scenes, people have noticed a Starbucks (the chain wasn't invented until 1971), a numbered exit ramp (California didn't have these until 2002), and the Pussycat Theatre (which didn't open until 1974).

PIRATES OF THE CARIBBEAN (2003)

This is a blink-and-you-miss-it mistake in Pirates of the Caribbean: The Curse of the Black Pearl. In the clip you can spot a crew member behind Johnny Depp who appears to be wearing a cowboy hat and looking out to sea. Maybe the costume department ran out of pirate outfits and figured this was the next best thing? It's unclear.

T2: JUDGEMENT DAY (1991)

Early in the film, the Terminator shields John against the bullets from the T-1000 with his own body, receiving a whole cartridge in his back. His coat is covered in bullet holes. But a few moments later it looks good as new.

COMMANDO (1985)

Back to Arnold again and continuity. There's an intense car chase scene that ends with a pretty beat-up yellow Porsche. But, somehow, in the next scene the car appears totally intact, not a dent or scratch in sight.
